Report terms explained – Reports 2026

- WTS – means working towards the expected standard
- EXS – means working at the expected standard
- GDS – means working at greater depth standard

The assessments at the top of the report reflect previous assessments at the end of EYFS and Key Stage 1. This includes whether they met a good level of development, their phonics score which is out of 40 and whether they met expectations at the end of KS1.

Current Assessments

- If there is a number this number denotes which year group curriculum the pupil is working on
- No number means that the pupil is working on the curriculum of the year group they are in
- B – Below age related expectations (ARE)
- JA – Just At ARE
- AT – Securely At ARE
- A – Above ARE
- Baseline assessment is based on the previous year's curriculum, unless there is a number to specify the year group
